17th	Annual Reports out
18th July	Year 2 leavers trip
21st July	1.15pm Afternoon Races Parents Drop in
23rd July	Year 2 leavers service 9.30am
23rd July	School closes for summer holiday

Transition Day

We are already planning for the next academic year. Our current Year 2 are looking forward to their move to the Junior School. New staff from the school are visiting on Friday to meet the children. They will then spend a day at their new school on **Friday 11th July**. (Please note the change of date.) Children should be taken direct to the Junior School on that day and will need to be collected from there at 3.30pm.

Our current Year 1 and Reception children will spend the day in their new classes.

New Faces

We are really pleased to announce that we have appointed two experienced members of staff to teach Ladybirds class next year. Mrs Nina Angell and Mrs Katie Buckley will be teaching in Year 2 alongside Mrs Hayes. Mrs Angell will take up her post in September, teaching Monday, Tuesday and Wednesday, and Mrs Buckley will join us in January.

End of Year Reports

Due to the change of Transition Day requested by the Junior School, we have decided to send out the end of year reports on **Thursday 17th July** as Year 2 will now not be in school on the 11th July. Parents drop in will be on Monday 21st July 3.30-4.30pm if you have any questions about the report.

Sports Day

The weather was against us last Friday and for the first time in several years, we had to take the decision to cancel Sports Day. Mrs Woodhouse set up activities in the Hall and the children took part in their teams to score points. The winning teams were

1st place - USA

2nd place - Mexico

3rd place - England

We will hold our race afternoon on **Monday 21st July** (weather permitting) and you are invited to watch from 1.15pm. If you would like to bring a picnic to share with your child before the afternoon races, please come at midday.

Summer Fayre

Don't forget it is the PTFA Summer Fayre on Friday from 5pm to 7pm. The children will be performing at 6pm with KS1 dancing and Reception singing. Please ensure all children are on the rear playground by 5.55pm.

Portrait Gallery at South Wootton Infants

Following the successful art sale last year, The PTFA have again asked the artists at SWIS to create a canvas. The theme this year is portraits.

Reception

ve alien went to south wooton in front
school. He can do backflips. He is going to the
moon. He is green and red. He plays with me.
I like him. I have fun with him. He eats
humans. He is small. He is made of playdough.
If you touch him bits come off. I stick the
playdough back on him. He goes home to
Mercury.

I met my alien at
school. When it was
play time. Hello im
from the moon. What are you from
he said. Im from earth. The
alien was jumping up and down.
He was so hungry so he eat some
jelly. can you help me fix my rocket
I helped him so he was so
happy.

Year 1

Our Medieval Day

First I dressed up as a knight. Next we played
with a bow and arrow. Then we went in Crickets
and I liked when I had chainmail on and I had the
helmet on. I liked it when he hit me with his
sword. Next we made a catapult. Then we went
back in our classroom. Next we had our dance.
Then we went outside and he showed us how to
fire a musket.
Finally we went home
By Caleb Barber

Our Medieval Day

First we went into assembly and we saw King Edward
the first. He told us not to look at him because he is
royal.
Next we went outside and we practised being a
knight.

Year 2

The Dragon

The fierce, mighty dragon has fiery, red scales
all over his thick, humongous body. He has enor-
mous, sharp, white claws attached to his terrify-
ing bony legs. His massive yellow eyes look like a
blazing fire going right through you.

When he knocks down castles and burns down a
massive forest he feels strong and brave but, to
tell the truth, he is actually
weak and scared because he
is terrified of mice.

By Harry Skinner

In the story the dragon has a scaly back and pointy,
sharp teeth. He has big scratchy claws. His wings are
huge and strong and his eyes look fierce. The drag-
ons tail is long and his nostrils are round like balls.

He likes flying fast and flying very high. He flicks his
tail and knocks out an army of knights. When he
breathes fire it burns a whole woods down and he
could make a castle fall down with a wing. The dragon
has a secret because he is scared of mice. The drag-
on does not like bones but he likes meat. In the story
he did not care for the mouse that lived next door. I
think he felt happy when the mouse moved to a cas-
tle with a princess.

Attendance Matters

Since September, Headteachers are no longer able to authorise any holidays in term time. If parents take their children out of school for a family holiday, the absence will be unauthorised and may result in a fine.

For the month of June, the class with the best attendance was

CATERPILLARS

with an attendance total of 97.5% CONGRATULATIONS to them`.

Our overall attendance for the school year so far is now at 96% which is our target, We have been above this until now. Unfortunately, term time holidays have a large impact on our overall figure.
