

14<sup>th</sup> March 2016

This week we are learning:

- To recognise the features of instructions.
- To orally rehearse instructions and then write a set of instructions.
- To write about real events using the past tense correctly.
- To tell and write the time to five minutes, including quarter to/past.
- To compare and sequence intervals of time.
- To solve simple problems in practical contexts involving units of time.
- To find out about the life of a famous person from the past using different sources of evidence.
- To use words and phrases like: before, after, past, present, then and now.
- To discuss events, actions and feelings of people involved in a real life event in history.
- To answer questions using books and the internet.
- To use algorithms on digital devices.
- To describe some of the features of an island.
- To describe the key features of a place from a picture.
- To use skills effectively to complete activities in one minute in a games lesson.
