Foreword

This plan sets out the school's approach for promoting equality in our policies and procedures and, most importantly in our day-to-day practices and interactions with the whole school community.

Our plan includes our whole school – pupils, staff, governors, parents and carers and all those within our extended school community.

It is very important for us all to work together in achieving our aim of being fully inclusive and accessible and ultimately in providing a quality learning experience for our children and young people. It includes equality information about our school and our equality objectives which are reviewed as part of a four year cycle.

We will agree our objectives by looking at our schools equality data, policies and practice and consulting with our school community.

Signed:

Headteacher: J Davenport

Chair of Governors: C Gayton

Introduction

Introductory Notes

Our school is a two form entry infant school in King's Lynn. We offer a broad and balanced curriculum for all our pupils and are committed to upholding and promoting equality of opportunity. We know our school very well and use our understanding and data to inform our planning and objectives.

Legal Framework

We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations to age (as appropriate), disability, ethnicity, gender (including issues of transgender), maternity and pregnancy), religion and belief, and sexual orientation.

Our policy reflects the requirements of the Education and Inspections Act 2006 to promote community cohesion.

We also recognise these duties reflect international human rights standards as expressed in the UN Convention of the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

The Equality Act 2010 protects people from discrimination, it replaced nine major Acts of Parliament and almost a hundred sets of regulations. The Act provides a single, consolidated source of discrimination law.

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil

- In relation to admissions
- In the way it provides education for pupils
- In the way it provides pupils access to any benefit, facility or service
- By excluding a pupil or subjecting them to any other detriment.

Our school ethos, values and visions

In order for our schools to be fun and enjoyable places, with happy and successful life-long learners, we want to be:

- Respectful
- Resilient
- Collaborative
- Curious
- Creative
- Reflective
- Inquisitive

We all follow the South Wootton Way:

- I smile and care for everyone
- I work hard and challenge myself
- I am inspired to learn
- I succeed now and in the future

We respect each other's age, disabilities, gender, race, religion, gender identity and sexual orientation

We celebrate diversity and use it to improve our outcomes

We tackle difficulties for individuals as quickly as possible

We strive to make the best possible provision for all pupils/students

We respect diversity. We know that treating people equally is not simply a matter of treating everyone the same. We adopt the Norfolk Inclusion Statement's view that inclusion is: "The process of taking necessary steps to ensure that every young person is given an equality of opportunity to develop socially, to learn and to enjoy community life."

We know that equalities is not simply about protecting the potentially vulnerable. We believe that all children may be disadvantaged by the holding of prejudicial views, and seek to promote good relationships between all groups, and positive attitudes towards disabled people, people from different ethnic or cultural groups or faith backgrounds and people of different gender or sexual orientation.

We value staff for their ability and potential to help us make the best possible provision for the children in our school

We are proactive in our efforts to identify and minimise existing barriers or inequalities.

We seek the views of our school and wider community and involve them in policy review.

We recognise our role in promoting community cohesion, and actively encourage the participation in public life of all learners in our school.

South Wootton Infant School is an inclusive school. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

South Wootton Infant School is committed to providing a working environment free from discrimination, victimisation, and harassment.

South Wootton Infant School also aims to recruit an appropriately qualified workforce and governing body that is representative of all sections of the community in order to provide a service that respects and responds to the diverse needs of our local population.

We collect and analyse the following profile information for our staff and governors:

- Applicants for employment
- Staff profile

Consultation and involving people

Under section 176 of the Education Act 2002 schools are required to have regard to statutory guidance on pupil voice. This is provided by *Working Together: Listening to the voices of children and young people*.

We involved pupils, staff, governors, parents and carers, and our wider school community in creating our policy and objectives to ensure their views were represented. This is how we did it.

- Discussions at school council

- Contact with parent/carers
- Staff surveys
- Discussions at staff meetings
- Discussions at governing bodies
- Discussions within cluster groups
- Involvement within local community activities

These discussions have been the drivers for creating our Single Equality Scheme action plan.

Equality impact assessments

Equality Impact Assessments (EIAs) were introduced with the Race Equality Duty and prior to the Equality Act 2010 had been extended to include race, disability and gender.

We undertake equality impact assessments to identify the impact or effect (either negative or positive) of our policies, procedures and functions particularly taking into account protected characteristics. Where negative impacts are identified we will take steps to deal with this and make sure equity of service to all.

An inventory of existing policies has been undertaken and we are currently undertaking an ongoing rolling programme of impact assessment for all our policies and procedures.

9 Other School Policies

We have used our existing school policies to inform our Equality Scheme/Plan and these include:

- School Improvement and Development plan (SIDP)
- SEN policy
- Accessibility plan
- Anti-Bullying policy
- Pupil Premium
