

English:

We are learning our own version of *Beegu* in Talk for Writing and are focusing on story settings. We are looking at making our writing more interesting by adding adjectives and similes.

Design and Technology:

We will be learning to use our own ideas to make a simple plan of a moon buggy. We will then choose the appropriate resources and tools to make it.

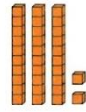

PE - Dance

We are learning to perform dances using simple movement patterns in the context of our topic. We are able to work individually and with a partner.

Maths:

We have begun looking at the place value of numbers to 20 and being able to add and subtract them. We are then moving on to place value and addition and subtraction of numbers to 50.

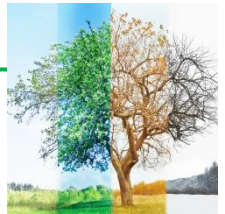

Tens	Ones
3	2

Is Anyone Out There?

Science:

We will be able to name the planets in the Solar System and will be looking at how the Seasons change on Earth. Just like astronauts we will use simple equipment to make observations and carry out simple tests like growing our own crystals.

YEAR ONE SPRING TERM 1ST HALF

History:

We are learning about the past and using the words and phrases old, new and a long time ago. We are asking lots of questions about old and new objects and learning about space travel over time. We will be able to talk about the life of Neil Armstrong and explain why he is famous.

OWLS CLASS ASSEMBLY - 14.02.2020 2.45pm
