

Year 2 - Home Learning Summer Term 2 Week 4 (22.6.20 - 26.6.20)

English

This week the activities need to be done in order so I have labelled them Monday through to Friday.

<p>This week our work will focus on the features of Non-Fiction books.</p>  <table border="1" data-bbox="593 742 716 829"><thead><tr><th>Title</th><th></th></tr></thead><tbody><tr><td>Chapter 1</td><td>1</td></tr><tr><td>Chapter 2</td><td>5</td></tr><tr><td>Chapter 3</td><td>11</td></tr><tr><td>Chapter 4</td><td>15</td></tr><tr><td>Chapter 5</td><td>19</td></tr></tbody></table>	Title		Chapter 1	1	Chapter 2	5	Chapter 3	11	Chapter 4	15	Chapter 5	19	<h4>Monday - Spellings</h4> <p>This week's spellings are:</p> <p>badge edge bridge dodge fudge age huge change cage ledge</p> <p>Ask an adult to explain the meaning of any of these words that you don't know.</p> <p>Then log on to Purple Mash and follow this... Home/English/Spelling Resources/Spelling Yr2/Y2 SUM2 WK3 - Quiz</p> <p>Use this quiz to help you to practise and learn your spellings. You may also need to write them out a few times to practise spelling them before you do the attached dictation.</p>	<h4>Tuesday - Labels</h4> <p>Labels provide information by pointing out an object within a picture or photograph. Lines/Arrows join the object to its label (name).</p> <p>Following on from yesterday's topic work draw a picture of a castle and label the following parts; moat, battlements, arrow slits, drawbridge, portcullis, bailey, keep, ramparts</p> <p>You can add your own labels to other parts of the castle that you may know.</p>

<h4>Wednesday - Index</h4> <p>Where would you find an Index? What is an Index used for? Look at some non-fiction books to remind you what an index is, how it is organised and what it is used for. What do you notice about how an Index is organised? Organise these words into alphabetical order:</p> <p>moat, battlements, arrow slits, drawbridge, portcullis, bailey, keep, ramparts, catapult, battering ram, dungeon, kitchen, tower, gatehouse</p> <p>Remember if you have more than one word beginning with the same letter then you look at the next letter in the words to see which of those comes first in the alphabet. E.g. ball comes before bell because a comes before e in the alphabet.</p>	<h4>Thursday - Glossary</h4> <p>Where would you find a Glossary? How is a Glossary similar/different to an index? What is a Glossary used for?</p> <p>Use the words from your castles index yesterday and now create a glossary by adding definitions for them.</p>	<h4>Friday - Captions</h4> <p>Captions are short sentences written beside or underneath a picture or photograph that explains a bit more about it.</p> <p>Choose at least three of the pictures of castles and write a caption for each one.</p>
