

Monday

This week we are starting to look at Castles!

This is a great video to introduce the topic
https://www.youtube.com/watch?time_continue=16&v=Fa5MHHij4E&feature=emb_logo

What is a castle? Why were castles built? Where were they built?

Create a poster, fact file, TV show or radio broadcast all about castles!

There's a PowerPoint attached (called 'Week 4 - Monday') as a PDF to help,

Year 2 Summer 2: Week 4 Castles

Thursday

Art critic!

Look at the work of Paul Klee and his abstract painting 'Castle and Sun'.

I have attached a PowerPoint as a PDF (called Week 4 - Thursday) to help you, giving you information about the painting. There are some talking points on the slides to help you talk about the painting.

Tell us all about the painting - what do you/don't you like about it? Why? What do you notice? Do you like abstract art? Why/why not? You could write this down or talk about it in a video.

Tuesday

Visit a Castle or castle ruins and tell us all about it!

This could be using natural resources, furniture, outdoor toys, junk modeling, sand, play-do or an idea of your own.

Get building, have fun and tell us all about it!

Friday

Your turn - now, you're the artist!

Create your own Castle picture, inspired by Paul Klee. You could use collage, paints, crayons, pencils, natural objects, Lego or an idea of your own!

Tell us all about it!

What's the title of the artwork? What did you use to make it? What do you like about it? What could you do differently next time? How is it similar to the work of Paul Klee? What's your favourite part of the artwork? Where did you get idea for you work?
