

Monday
Sports day!

Have your own sports day at home.
Perhaps you could have an egg and spoon race, throw
or roll balls into a target, bouncing a ball etc.

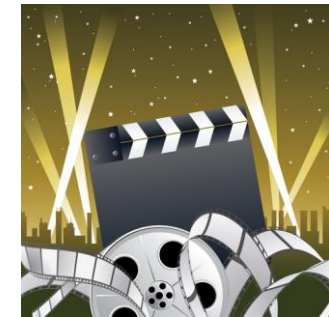

Involve the whole family, if you want to! Here are
some more ideas

Thursday
Movie afternoon!

Watch your favourite movie and make a
movie review (could be filmed, written and a
picture) to persuade others to watch it, too!

Tuesday
Day trip!

Visit somewhere for the day and have some
fun!

Each class would have had a trip out
somewhere, so enjoy yours with your family.

Wednesday

End of year picnic!

At the end of the year, we hold a picnic.
Have your own with friends and family
(following social distancing).

Friday

Summer fair!

Hold your own Summer fair!

Usually we have a school summer fair, but
this year enjoy yours at home. Make your
own fair game up (e.g. hook a duck, tombola,
marbles in a jar).
