Hello, my name is Sid and I work in a library. When I am not working I like to go to the cinema and I love shopping. I live in a terraced house and I have a car but I like to walk to work.

Hello, my name is Bob. I have to drive to work in my car. I live in a detached cottage and I only have a few neighbours. We like to meet in the pub. At the weekend I enjoy walking and cycling around where I live and going to the park with my family.
