Wednesday - Reading Comprehension

There will be a 'Happy New Year!' reading comprehension on Tapestry today.

Read as much of the first reading comprehension, on page 1, as you can on your own.

If you are struggling with the reading, an adult or an older brother or sister can read it with you.

Then try to answer the questions on the sheet, page 2.

No peeping at the answer sheet on page 3!

Remember when we do these in school, we do this:

1. Read the information.
2. Then read the first question carefully. We may need to go back to the text to find the answer. We need to look for words in the question that will help us to find the answer in the text. For example **"When is New Year celebrated?" We need to look back in the text and find the word celebrated.** Then we will find the answer.
3. Continue this for each question.

There are harder texts and questions after this if you want to try more but we are only expecting you to do the first one.

Thursday - New Year Resolution

Yesterday, in the reading comprehension, we learnt about how people make New Year Resolutions. These are things you want to get better at or change.

Today we would like you to write at least one **New Year Promise**, something you are going to change or get better at.

For example:

I am going to keep my bedroom tidy.

I am going to help my parents around the house.

I am going to join my handwriting.

I am going to write all my letters and numbers the correct way round.

Then we would like you to write at least one **New Year Wish**, something you hope for. It can be for you or everyone.

Make a star and write your promise and your wish on your star.

Friday - Compound words

Today we are going to learn about compound words.

Watch this video to find out what compound words are and complete the quiz and activities after it:
