

Year One Topic Spring Term 1  
**'DESTINATION OUTER SPACE'**

Session 1

What is **'Outer Space?'**

Log on to Purple Mash using the details posted for you on Tapestry. Click on the **'2Do'** tab along the top and read the 'Space Story' set for you. Listen first and then join in a second time.

Are there any questions you would like to find the answers to? Ask someone to record you asking your questions and put them on Tapestry for us.

Session 2

(Watch the input video for Van Gogh's 'Starry Night')

Recreate your own version of Starry Night in any way you choose. You could use coloured pencils/felt pens/paint/sequins/pieces of paper or material and strips of wool/leaves and things found in the garden/junk boxes/lego bricks - whatever you can find in your house. Photograph your artwork and add it to Tapestry.

(You could also use the 2Paint programme on Purple Mash if you preferred)

Session 3

Use up some energy and test out your dancing skills with these two links;
