We hope you find the information on our website and our resources useful. This story has been created to help children consolidate their recognition of phase 3 sounds. Please be aware that, in order to create a story, it may also contain tricky words from phases 2, 3 and 4. Please also note that some stories contain features of writing introduced in year 1, such as the suffixes -ed and -ing and common exception words. We recommend you familiarise your students with these elements before allowing them to read the texts independently.

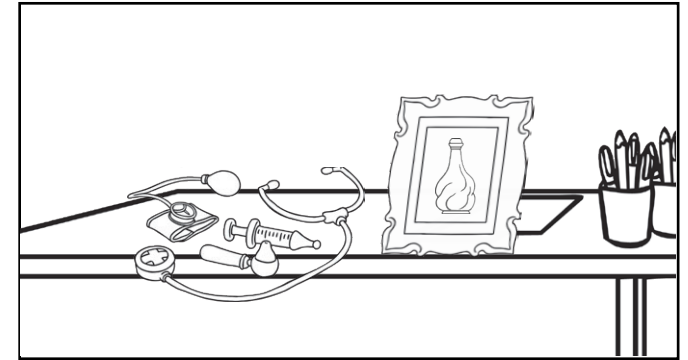

# The Mixture in the Picture

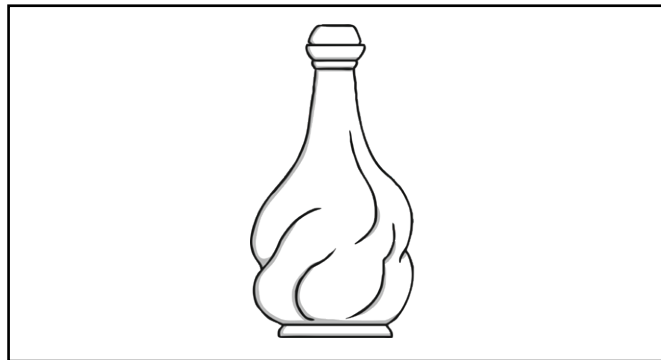

Jure was ill. In fact, Jure kept being sick. He was hot and felt too ill to get up from his bed.

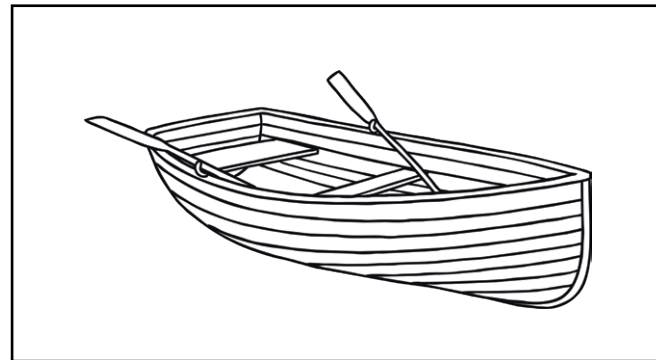

The doctor sent him to bed with a pill. The pill did not help Jure and he still felt ill.

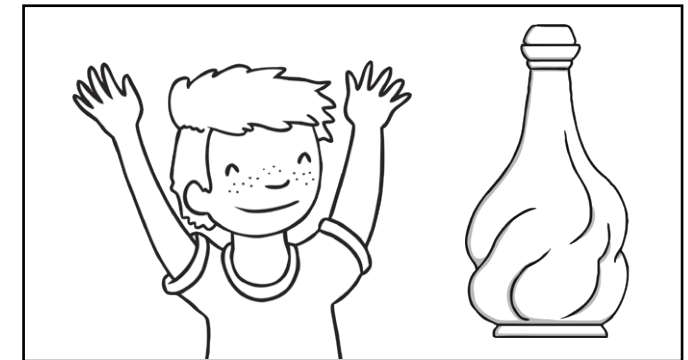

He went to see the doctor and sat in his room. On the desk, there was a picture.

The picture was of a mixture that was pure green.

He had to get the mixture to cure him. The doctor went on a boat and got the mixture.

The doctor said, "You will get a cure!" Jure drank the mixture. He had his cure.
