

Year 2 – Topic

Home Learning Spring Term 2 Week 2 (1.3.21 – 5.3.21)

These activities can be done in any order except if your child is a key worker child and then they need to be done in order 1 – 5 as this is the order they will be done in school.

Activity 1 – Geography

The landscape changes so much across our world from continent to continent.

There are deserts, rainforests, mountains, glaciers, savannah grasslands and forests.

Divide a piece of paper into four and draw four of the landscapes looking at how different they all are.

Rainforest

Mountain

Desert

Grassland

Activity 2 – DT

Design and build a Multi terrain vehicle to travel the World. Your vehicle must be able to travel across sandy deserts but also on ice. It must be able to go up mountains and through rainforests.

Activity 3 – Science

Watch these videos to learn about food chains.

Activity 5 – Forest School Music

Collect some objects that could make interesting sounds and create your own musical instruments and then create some music.

You could cut some grooves in to a stick to make a rasp.

Drag another stick over it to see what sound it makes.

Use sticks as drumsticks, seeds inside something as a shaker.

Reading Comprehension

We will continue to give the children reading comprehension activities to complete this week.

These will still be in addition to reading either from a book online or a book from home.

The texts will be matched to the reading level of your child and will be uploaded to Tapestry.

As with last week, if you have problems accessing them and downloading them then please let us know and we will print a copy off for you and leave at the office.
