

		Week commencing 8/02/21 Keep a check on tapestry for extra challenges or support materials to support their work.
	Objective	Practise
Monday	Related facts Children explore addition and subtraction fact families for numbers within 20. They should work concretely and pictorially to find links between the addition and subtraction sentences. They should recognize that addition and subtraction are inverse operations. Children should begin to understand that addition is commutative but subtraction is not.	Watch Miss Brice's video (Tapestry). Complete worksheet looking at related facts.
Tuesday	Place Value	Mystery of the missing Spacesuit Enjoy working out each clue to discover the culprit who stole the spacesuit on Planet Zoog. Only print page 3 - 7
Wednesday	Chinese numbers	Use the Chinese numbers to make your own number sentences. Can you make 3 addition and 3 subtraction number sentences? Copy the symbols onto paper. These do not need to be printed
Thursday	Subtraction	Solve the subtraction calculation and use the answers to find the colours to use. When you are finished you will have a beautiful image of a Chinese New Year lion dancer.
Friday	2D shapes	Can you create a dragon using 2D shapes? I have included a template you can use if you wish. These do not need to be printed
