

Can you please copy out the story - use this sheet just as a prompt. You need to replace the underlined words with your ideas. And you can change the ending if you would like to!

Rosie's Surprise

Rosie put seven exciting toys in a basket for her friend, Sarah. She will be surprised, thought Rosie as she set off for Sarah's house. I wonder which toy she'll like best?

Will she like the fast blue racing car or the soft cuddly teddy? Will she like the noisy bells or the angry green dinosaur? Will she like the pretty wooden girl or the colourful marbles? Will she like the smart Lego man?

Which toy will Sarah like best?

"Hello Sarah" said Rosie. "I've brought you a surprise."

"Tangerines!" said Sarah. "My favourite fruit."

"That is a surprise!"
