Watch the links below to learn about road safety.

Can you remember the Stop, Look, Listen and Think sequence? What does each word mean?

Stop, Look, Listen, Think sequence

Stop - when you approach a crossing, STOP before you come to an edge of the pavement

Look - LOOK for cars, bikes, lorries, other vehicles, by looking right, left and right again

Listen - LISTEN for vehicles too. You may be able to hear them before you see them

Think - THINK is there enough time for you to cross the road safely?
