

Numeracy

In Maths we will be focusing on multiplication and division.

We will be learning to represent numbers to 100, partition numbers into tens and ones, to compare and order numbers and read and write numbers in numerals and words.

English

Author Study – Anthony Browne

We will be reading and studying various books by this author. We will be focusing on punctuation and grammar.

We will also be learning how to write effective instructions.

RE

We will consider what Christians learn about Jesus from the Christmas Story

Heroes

and

Villains

Year Two, Autumn Term 2

Science – Materials

We will identify and compare the suitability of a variety of everyday materials.

We will learn about science heroes such as John McAdam who played an important role in the development of materials.

History

We will be learning about a famous historical event, The Gunpowder Plot, and deciding whether Guy Fawkes and the other plotters were heroes or villains.

Geography

We will be recapping prior learning and naming the countries in the United Kingdom and learning their capital cities. We will learn the names of the seven continents and the oceans of the world.

Computing

Our focus will be on Online Safety and how to search and share safely.

Music

We will perform simple patterns and accompaniments, keeping to a steady pulse.

We will notice how music can be used to create different moods and effects and to communicate ideas.

PSHE

We will follow the JIGSAW Programme with a unit on Celebrating Difference

Art & Design

We will be learning about colour; primary and secondary colours, complementary colours and how to make shade and tones of one colour,

PE

Otters Class will be Swimming this term and both classes will focus on Multi skills in their other lessons.

PE will be on Mondays and Fit Fridays. Please make sure children have a PE kit in school for Monday's lesson.
