

RE

We will be looking for and thinking about religion around us and what Christians remember about Easter.

Muslim, Christian, Humanist

Computing

Our focus will be on using beebots to complete short programmes and how to search engines effectively.

Music

We will be recognising and exploring how sounds can be organised and understand how to control a musical instrument so they should sound as they should.

PSHE

We will follow the JIGSAW Programme, 'Dreams and Goals'.

Numeracy

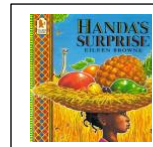

In Spring Term 1 we will be focusing on Statistics and Shape. We will look at creating and reading tally charts, pictograms and bar charts. We will learn about 2D and 3D shapes and their properties and lines of symmetry.

In Spring Term 2 we will be focusing on Multiplication and Division. We will look at using arrays and sharing by grouping. We will also learn about fractions of numbers, shapes and quantities.

English

This half term we will be looking at lots of different stories and what makes a good story. The children will then be composing their own stories.

Our Non-Fiction unit this term will be non-chronological reports and the children will be learning about their different features.

Science – Living Things and their Habitats and Seasonal Changes

We will be comparing the differences between things that are living, dead and things that have never been alive. We will be identifying different habitats and why animals and plants are suited to them.

We will talk about changes across the 4 seasons.

Changing Landscapes

Year Two, Spring Term

Geography focus

We will learn about and compare life in a village, town and city. We will learn about the human and physical features of different landscapes.

We will look at maps and the children will learn how to draw simple maps, including using a key.

Art & Design

We will look at different skills involved when painting. The children will select and evaluate the best tools and techniques needed. Our main artist this term is Lowry.

PE

Red Squirrels Class will be Swimming this half term and both classes will focus on Invasion Games in their other lessons.

Spring Term 2 PE lessons will cover Striking and Fielding Games.
