

## English

We are learning our own version of *Beegu* and are focusing on story settings. We are looking at making our writing more interesting by adding adjectives and similes.

## PE - Dance

We are learning to perform dances using simple movement patterns in the context of our topic. We are able to work individually and with a partner.

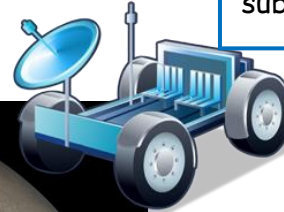

## PE - Balance Ability

We are learning to gain the confidence and skills required to ride a pedal bike independently.

Once your child can ride we focus on control, including setting off, cruising, slowing down, braking and stopping.

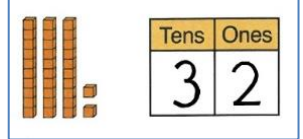

## Design and Technology

We will be learning to use our own ideas to make a simple plan of a moon buggy. We will then choose the appropriate resources and tools to make it.

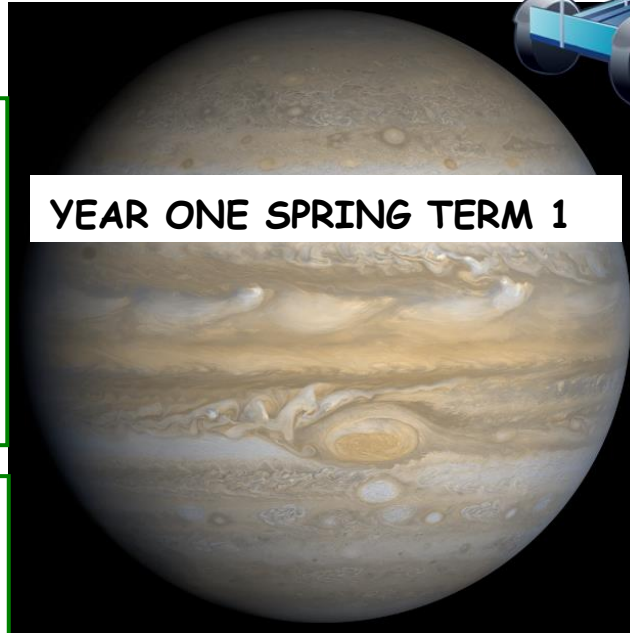

## Maths

We have begun looking at the place value of numbers to 20 and being able to add and subtract them.

## YEAR ONE SPRING TERM 1

## Science

We will be able to name the planets in the Solar System and will be looking at how the Seasons change on Earth. Just like astronauts we will use simple equipment to make observations and carry out simple tests like growing our own crystals.

## History

We are learning about the past and using the words and phrases old, new and a long time ago. We are asking lots of questions about old and new objects and learning about space travel over time. We will be able to talk about the life of Neil Armstrong and explain why he is famous.
