

RE

We will be considering 'What is 'May Day'?'
(Secular)

What questions do religious stories
make us ask? Can we find any answers?

(Christian, Muslim, Buddhist, Sikh)

Numeracy

In Maths we will be focusing on Measurement.

We will be learning about time, length, height,
mass, capacity and temperature. The children
will be taught how to read scales and compare
and order different measurements.

We will be learning about position and
direction, describing different movement and
turns.

We will also be revising addition, subtraction,
multiplication, division, money and fractions
and the different written methods we can use
to solve these different number problems.

English

Texts:

'Magic Beach' – Alison Lester

'The Lighthouse Keeper's Lunch' – Ronda and David Armitage

'How Pirates Really Work' – Alan Snow

This half term the children will be writing beach poetry, new exciting story endings and postcards.

Next half term the children will be learning about pirates and will write about real life events. They will also write information booklets all about pirates.

Science –

We will be learning lots more about plants and what they need to survive. We will carry out a number of investigations to see how plants parts work and what happens in a food chain. We will learn how to keep healthy, life cycles and how seasons change.

On the High Seas

Year Two, Summer Term

Computing

Summer Term 1 – Creating Pictures using
2Paint a Picture Programme.

Summer Term 2 – 2Sequence Programme,
making music.

Music

The children will play tuned and un-tuned
instruments, understand how to control a musical
instrument so that they sound as they should and
be able to create and perform musical patterns.

PSHE

We will follow the JIGSAW Programme.

Summer Term 1 – 'Relationships'

Summer Term 2 - 'Changing Me' (RSE)

Art & Design

This half term will be a Food Technology
focus and we will be designing, making and
evaluating sandwiches.

Next half term will be an Art focus and we
will be teaching the children how to print.

History/Geography

This half term we will be looking at seaside holidays how they have changed over time.

During Summer Term 2 we will learn about pirates and how we distinguish between fact and fiction. The children will experience maps and compass directions.

PE

This half term Mrs Woods (specialist PE coach) will be focusing on Gymnastics. The children will develop a range of different movements and balances both on and off the apparatus. We will also cover some Tri-Golf.

Next half term the focus will be Athletics and we will be preparing for Sports Day!
