

Dear Parent/Carer,

Welcome to Learning with Parents!

We are a charity working to help families enjoy learning together at home.

On your mobile phone or computer, you and your child will watch short, child-led videos explaining the topics your teacher chooses, and then play fun games and activities together using items around the home. The class teacher then gets your feedback and photos so they can see how your child is getting on.

Getting started

- 1) You will receive an email or text from us
- 2) Open the link in your browser
- 3) Watch the introductory video to see how it works

What next?

- 1) Select a topic with your child and choose the activity to play first
- 2) Leave a comment for the teacher or upload a photo
- 3) Pick an item to dress up your Mathscot!

We hope you enjoy exploring the topics together!

Best wishes,
