

## Numeracy

In Spring Term 1 we will be focusing on Money. We will be looking at how to make different amounts using coins and notes.

We will also be introducing the children to multiplication and division.

We will be revisiting methods for addition and subtraction.

## English

This half term we will be reading 'The Bear Under the Stairs' by Helen Cooper. We will be learning how to write letters and finding out about Paddington Bear. We will be writing leaflets/posters to advertise London. We will be reading a longer text called Minpins by Roald Dahl.

## RE

We will be looking for and thinking about religion around us and places where people worship.

## Science – Living Things and their Habitats and Seasonal Changes

We will be comparing the differences between things that are living, dead and things that have never been alive. We will be identifying different habitats and why animals and plants are suited to them.

We will talk about changes across the 4 seasons.

## Computing

Our focus will be on Coding and completing simple programmes.

# Our Wonderful World

## Year Two, Spring Term 1

## Geography

We will learn about and compare life in a village, town and city. We will learn about the human and physical features of different landscapes.

We will look at maps and the children will learn how to draw simple maps, including using a key.

## Music

To learn about rhythm in short songs and tunes. To recognise dynamics and pitch. This term the music is being taught by an external music coach who is also incorporating basic sign language into the sessions.

## Art & Design

Our main artists this half term are Lowry and Constable. We will be using paint to create landscapes and city scapes.

## PE

This half term our main PE focus will be 'Dance'

We will be learning how to remember, repeat and link actions to tell the story of a dance. We will also be exploring different pathways and levels. The children will learn how to create movement patterns in response to a theme.

## PSHE

We will follow the JIGSAW Programme, 'Dreams and Goals'
