

SOUTH WOOTTON INFANT SCHOOL

Newsletter 3– Friday 20th September 2024

Active Kids!

We have all been very physical this week and making the most of the lovely weather.

Some of our Year two children were chosen to represent the school on Monday at an Activ Kids Sports festival held at Lynnsport. They had the opportunity to use different sports equipment and practice aiming at a target. All the children had 'the best time ever!' and were beautifully behaved. Well done Year Two, you made us very proud.

Year One have had just two sessions of balanceability now and the majority are riding their bike without stabilisers! Excellent news Year One and great resilience being displayed both at school and when practising at home.

Reception enjoyed their first session of Forest School this week. They learnt how to be safe when using the forest eg carrying around long sticks and had a go at making the first letter of their name using natural objects. Good listening Reception.

Ready, Respectful, Safe

Since our return to school we have all been learning/reminding ourselves of our 3 school rules.

Ready to learn, brainboxes on; **Respectful** to everyone and everything; **Safe** – kind hands, kind feet, kind voices. I have spoken to the children in assembly about ways they can demonstrate these in and around school with particular focus on lunchtimes.

I will be looking to work with our new Student Council soon to discuss ways in which we can improve our lunchtime experience for everyone and look forward to hearing their suggestions. Year Two don't forget to bring your voting forms back if you would like to be on the council.

Reading

Your child will be bringing home their Reading Record today. Inside the front cover are some helpful suggestions of successful reading times at home and in the back cover you will find some ideas of questions you could ask your child alongside their reading.

I always find this website and her accompanying facebook page invaluable when thinking about phonics and reading and might give you further guidance and ideas of comments you could write in your child's Reading Record.

Dogs

Please could dogs (other than assistance dogs) not be brought onto the school site at the end of the day. We recognise that Mr Stephenson would often look after some dogs while he was on gate duty but I'm afraid we are no longer able to do this. Thank you for your support.

Birthdays to 13-20.09.24

In Year 1, **Bonnie and Alice** are now 6 years old

In Year 2, **Esmae and Aubree** are now 7 years old.

Apologies for not celebrating our August Birthdays;

George A, Violet and Everly are all now 5

Summer, Violet and Teddy are all now 6

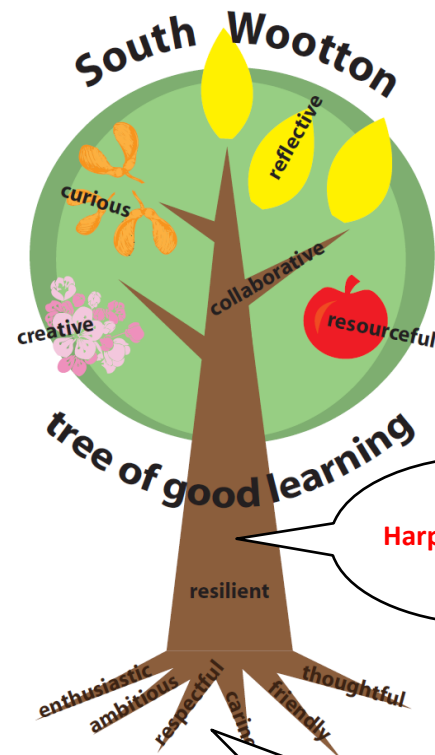

23rd September – Individual photographs

26th September – Flu Vaccinations

15th October – Parents Evening 3.30-6.30pm

17th October – Parents Evening 3.30-6.30pm

Golden Learners

Harper and Lewis

**Betty, Elsie, Joseph,
Jacob and Olive**
