Pupil specific contract

Monday-Friday 12.15pm -1.15pm

Midday Supervisory Assistant required now.

You will need to have a calm and caring manner and enjoy working with children. You may have experience of working with children generally as well as those with additional needs.

Duties may involve supervising eating and play, serving food from the kitchen to children, or clearing plates. You may also be asked to help set out or pack away tables and chairs in the dining room. Although we envisage that you will work primarily with a specific pupil, it is important that you are happy to be flexible and work as part of the team.

You will be part of a welcoming and friendly staff at this popular King's Lynn school. Visits to the school are warmly welcomed and strongly recommended.

Please call the school office on 01553 671552 or email office@southwootton-inf.norfolk.sch.uk to arrange an informal chat or visit.
