

## RE

Our enquiry question this half term is  
'What does the Nativity Story teach  
Christians about Christmas?'

## Numeracy

In Maths we will be looking at addition and subtraction calculations and the children will be learning how to partition numbers into tens and ones to help them solve more complex calculations and problems.

Towards the end of the half term we will be looking at 2D and 3D shapes and the similarities and differences between them.

## English

Texts: 'The Bear and the Piano', 'How to Wash a Woolly Mammoth', Christmas Poetry.

The children will be retelling and innovating the story 'The Bear and the Piano', recognising the different parts of a story and thinking about tense and interesting ways to start sentences.

Later on in the half term the children will write instructions using the book 'How to Wash a Woolly Mammoth'.

## Science – Materials

We will learn about where materials come from and identify if they are man-made or natural. We will find out about how materials can be recycled, reused and reduced. We will think about how this impacts the wider world.

## Computing

Our focus will be Logging on using the Purple Mash Login details and searching the internet safely.

# Heroes and Villains

## History

We will learn about the British Explorer Captain Vancouver and his impact on the wider world.

We will also be finding out about who Rosa Parks is and why she is famous.

## Music

This half term our music lessons will be preparing the children for our Christmas Production!

Year Two, Autumn Term 2

## PE

PE will be on Mondays and Wednesdays.

Our focus will be Net/Wall Games on a Monday and Dance on a Wednesday.

## PSHE

We will follow the JIGSAW Programme, 'Celebrating Difference'

## Art & Design

We will be looking at sketching techniques and the children will learn how to use different types of pencils to shade and create different effects.

We will also look at the work of artist Andy Warhol. The children will be creating their own fruit pictures in the Pop Art Style.
