

Year 2 – Topic

Home Learning Spring Term 2 Week 1 (22.2.21 – 26.2.21)

These activities can be done in any order except if your child is a key worker child and then they need to be done in order 1 – 5 as this is the order they will be done in school.

<p style="text-align: center;">Activity 1 – Geography - Continents</p> <p>There are nearly 200 countries in the World. These countries are grouped in to continents. There are 7 continents in the World. Watch these videos to learn the names and locations of the 7 continents. You will also learn some facts about the 7 continents. https://www.youtube.com/watch?v=ult5HHjCglg https://www.youtube.com/watch?v=K6DSMZ8b3LE</p> <p>Use the knowledge you have gained from the videos to write one fact about each continent.</p> <p>Finally follow this link and log on to Purple Mash and practise labelling the seven continents of the World: https://www.purplemash.com/#app/diyjs/world_continents_labelling</p>	<p style="text-align: center;">Activity 2 – Geography</p> <p>There are 5 oceans covering the World and surrounding the 7 continents. Watch this video to learn the names and locations of the 5 oceans. You will also learn some facts about the 5 oceans. https://www.youtube.com/watch?v=X6BE4VcYngQ</p> <p>Now follow this link and log on to Purple Mash and practise labelling the five oceans of the World: https://www.purplemash.com/#app/diyjs/world_oceans_labelling</p> <p>Now click on this link to play this game on Top Marks. You will need your knowledge of the UK, the continents and the oceans. There are some other fun activities for you to complete too. Have fun! https://www.bbc.co.uk/games/embed/education-ivor-pirate-rabbits?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fz6882hv/articles/z96vb9q</p>	<p style="text-align: center;">Activity 3 – Science</p> <p>Watch this video to learn about what types of food animals eat and complete the quiz after: https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z96vb9q</p> <p>Then use the knowledge you have gained to complete the activity: Activity 3 – Science You can colour the animals and then cut them out and stick them in to the right section of the Venn Diagram depending on whether they are a carnivore, omnivore or herbivore.</p>
<p style="text-align: center;">Activity 4 – PE</p> <p>Click on this link to a BBC Let's Move dance lesson. It will teach you an African dance! https://www.bbc.co.uk/teach/school-radio/ks1-dance/zdmnjhv</p> 	<p style="text-align: center;">Activity 5 – Art/DT</p> <p>Our planet, Earth, is a wonderful place; there are hidden natural treasures everywhere if we look. Go outside into your garden or for a walk in the woods and see if you can find these things:</p> <ul style="list-style-type: none">• a green object• a beautiful object• a straight object• a fluffy object• a round object• a yellow object• a smooth object• a rough object <p>Collect any other treasures that you see too. Draw a picture of the objects that you found or make a hanging mobile with some of them.</p>	<p style="text-align: center;">Reading Comprehension</p> <p>We will continue to give the children reading comprehension activities to complete this week.</p> <p>These will still be in addition to reading either from a book online or a book from home.</p> <p>The texts will be matched to the reading level of your child and will be uploaded to Tapestry.</p> <p>As with last week, if you have problems accessing them and downloading them then please let us know and we will print a copy off for you and leave at the office.</p>
